

## **Rod McCormick**

Rod McCormick is a Policy Analyst in the Pollution Prevention Branch of Manitoba Conservation. Rod has a Bachelor of Arts in Politics and Economics from the University of Manitoba.

Rod started in recycling picking up pop bottles for refunds and loading newspaper collected in Boy Scout Drives into trucks. After graduating from university, he spent seven years working on renewable energy and conservation technologies at the Biomass Energy Institute. Since joining the Manitoba Government in 1986, Rod has helped introduce a number of measures to reduce waste in Manitoba, including the Waste Reduction and Prevention Act (1990) and the Packaging and Printed Paper Stewardship Regulation.

Rod will be speaking on the Extended Producer Responsibility in Manitoba.
